Music theory and practical instrumental skills. Specialisation in jazz.

WORK EXPERIENCE

Software developer at Netigate

Dec 2021 - present

Working in a company that specializes in feedback surveys with thousands of customers worldwide, I feel privileged to contribute to the development of several products that drive meaningful insights and real impact.

Full stack javascript developer at Kaptena

Nov 2020 - Nov 2021

I've had the privilege of working on a brand-new app with an innovative approach to buying and selling unlisted shares. I was involved right from the start, shaping its development and bringing the idea to life.

Full stack javascript developer at School of Applied Technology

Jan 2020 - Nov 2020

I have worked as a consultant on various projects across different industries, including finance and healthcare, collaborating with multiple companies to deliver tailored solutions and drive business success.
